

# Making our own characters!

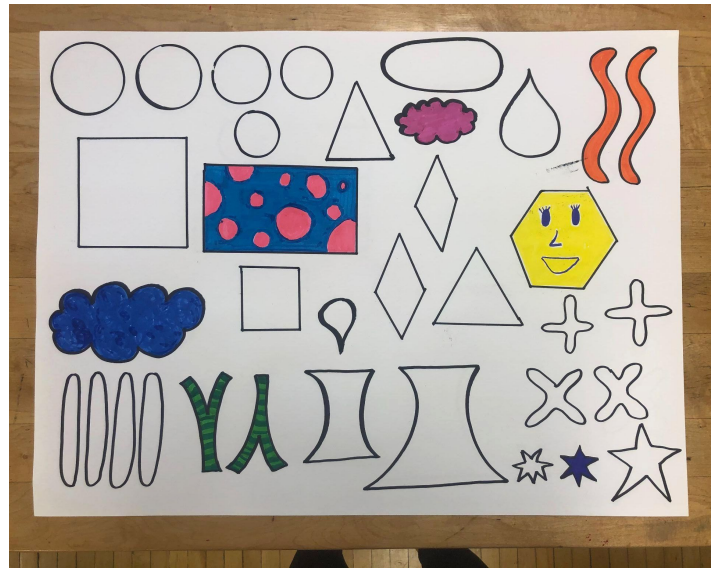

## Step 1

Pick at least 7 shapes you want to use

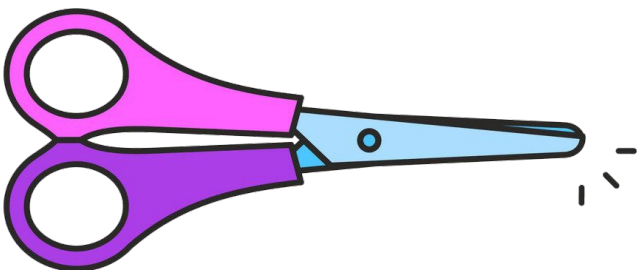

## Step 2

Color and decorate our shapes

## Step 3

Cut out our shapes

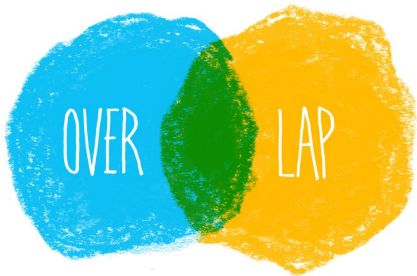

## Step 4

Lay out how we want them to look. Try as many looks as you like!

## Step 5

Punch holes into the paper where we'd like each shape to overlap.

## Step 6

Place pins in the holes to put your character together. You're all done!
